Moran Beats Hanlon in 20th Round at 'Frisco

SAN FRANCISCO, Calif., Sept. 30. Owen Moran, the British featherweight champion pugilist, tonight defeated Eddie Hanlon, the resurrected lightweight, in the twentieth round.

This stopping of Eddie in the 20th seems to be the one thing wanted to put the final pink on him. It is Moran's first plunge into the troubled waters of the lightweight division, and a triumph for the Britisher. Hanlon has been called good since he came back into the ring, after some years of oblivion, and he is one of the most popular fighters who ever donned a mitt in the Golden West. It is probable that at ringside he outweighed Moran at least six pounds, though the men were to have made 133 at 3 o'clock in the afternoon. A square meal and a little water, and Eddie will have thrown on the three or so more pounds which Moran's smaller bones do not carry.

Now comes the report that, since Moran has won this bout, he will be matched again with Abe Attell, in London, this trip, as a good many of the sports of the United Kingdom have expressed their willingness to pay a fancy price to see the Britisher put it on the wily Hebrew, or vice versa, the former preferred.

It will be recalled, in regard to Hanlon, that when much younger, nothing more than a boy, in fact, he showed such class that he was finally brought to a match with Young Corbett, the then champion, in San Francisco. Hanlon gave away too much in weight, and entered the ring with a face drawn from training. He was beaten, knocked out, and, hitting the toboggan, soon was out of the game. Some months ago he resurrected, though his old popularity has won him supporters.

Eddie Smith refereed last night's contest.

Joe Leahy, the boxer who is being brought down from the Coast by local promoters expressly for the purpose of matching him with Charlie Reilly, after that boxer's appearance Saturday evening in the ring at the Orpheum, is expected to arrive here tomorrow on the Alameda.

Leahy is one of the 4-round game bunch, of which Reilly is also a member properly speaking, and the men seem a well-matched pair, from all indications.

But will Reilly survive his bout with Weber Saturday evening? It's in the cards that Weber will be the boy to meet Leahy. It's certainly possible.

WHEN PHEASANTS WERE A NUISANCE

The Planter's Monthly for May of 1888 has the following item:
The game law of the last session is not looked upon with favor by the land-owners outside of Oahu. Attention was called by one gentleman to the fact that, do what he could, shooting all the year round, he could not keep the pheasants down and they had become a regular nuisance. Not a patch of sweet potatoes could be planted without the birds denuding and scratching up the tubers. With the closed season, he says, the birds will increase so much as to cause real and serious damage. The subject might receive the attention of some member of the House and an amendment to the law proposed.

NUMBER 9 BUOY TO BE MOVED VERY SOON

Differences of interpretation of some of the clauses of the harbor dredging contract, which have existed between the contractors and the U. S. Engineer's office are now settled to the satisfaction of all parties, and work is proceeding rapidly.

In fact, the Number 9 buoy, which has for some time been the object of much execration from ship masters and pilots, will be moved back in a few days, at most, giving more free water near the lower part of the inner harbor than has ever been there. In fact, the buoy seems, on account of the great amount of free water now back of it, to be out further than at any time before, but this is not the case, and when it is actually removed there will be quite a bit more deep water in which to maneuver when going out of port.

New York physicians will be provided with Red Cross plates for use on automobiles when hurrying to cases, but will have to show cause for excessive speed if reported by policemen.
